WestJet offers non-stop service to Las Vegas from the Fraser Valley

CALGARY, Alberta. May 29, 2008. WestJet today announced new seasonal non-stop service between Abbotsford and Las Vegas, starting September 8, 2008. This new non-stop flight will operate twice weekly on Mondays and Fridays.

"The Fraser Valley has been very supportive of WestJet's growth, and we expect to fly over 520,000 guests into and out of the Abbotsford International Airport this year. This is a significant number for both WestJet and the Fraser Valley," said Bob Cummings, Executive Vice-President, Guest Experience and Marketing. "With the addition of seven new aircraft in 2008 and many more to come in the next few years, there is potential for the people of the Fraser Valley to enjoy additional WestJet service in the future."

Dave Kandal, Chair, Abbotsford Airport Authority, commented, "We are very pleased with the new service to Las Vegas. Our 500,000-plus passengers a year are using Abbotsford because we're easier all around from parking to check in. This service will be a welcome addition to Fraser Valley travellers and one more great reason to fly from Abbotsford."
