WestJet Announces Service to Mexico from YXX

Abbotsford, June 12, 2009 – WestJet announced non-stop flights to Mexico from Abbotsford beginning in November. WestJet made the announcement last week, in advance of the airline releasing its full winter schedule in July.

“We are very pleased with the new service to Mexico,” says Dave Kandal, chair of the Abbotsford Airport Authority. “Our 500,000-plus passengers a year are using Abbotsford because we’re easier all around from parking to check in. This service will be a welcome addition for Fraser Valley travellers and one more great reason to fly from Abbotsford.”

Abbotsford International offers several Mexico flights as well as direct service to Calgary, Edmonton and Vancouver Island. This new non-stop, weekly flight will go direct to Puerto Vallarta and begin on November 7. Seats are now on sale and passengers can book departures from Abbotsford at a special introductory fare on line at www.westjet.com.

Abbotsford International Airport is the Fraser Valley’s regional airport and serves over 500,000 passengers annually from Surrey to Hope. Conveniently located off the trans-Canada highway, Abbotsford International offers daily service to Edmonton, Calgary and Vancouver Island as well as a seasonal weekly charter service to Mexico.
