Small Plane Slid off Runway at YXX

ABBOTSFORD February 23, 2018: At approximately 12:00pm today, a King Air twin engine aircraft carrying 10 people slid off the runway at Abbotsford International Airport.

There were no major injuries, however 2 people were transported to hospital for treatment.

All passengers and crew have left the airport.

An investigation of the incident will be conducted by Transport Safety Board.
