SHUTTLE SERVICE COMMENCES AT ABBOTSFORD INTERNATIONAL AIRPORT

Abbotsford, BC – Valley Airporter Ltd. has commenced an on demand airport shuttle service for visitors and residents to and from the Abbotsford International Airport (YXX).

Malkeet Gill, who has been providing a similar service in Prince George since 1992, has expanded his operations to include a shuttle service in Abbotsford. While limited to begin with, Gill will be operating 7 days a week, 365 days a year. "Our aim is to provide service to the whole Fraser Valley, from Chilliwack, to Mission, to Langley and part of Surrey" says Gill.

Dan Stefanson, Executive Director of the Tourism Abbotsford Society is extremely excited that the YXX transportation gap to the Fraser Valley has been resolved and announced that Tourism Abbotsford has committed resources and support for the initial development of the Valley Airporter. "This will give both visitors and residents all the more reason to use YXX."

The comfortable 10 passenger plus luggage vans, currently service a 60 road kilometer radius of YXX, Sunday to Friday. Rates are based on kilometers travelled and range from $8 - $40 for an adult one-way.

To make a reservation, please contact, Valley Airporter at 604-857-7171 or toll free at 1-866-837-7167. Bookings are taken a minimum of 10 hours before departure to ensure a pickup time. The Valley Airporter website, www.valleyairporter.ca , will be available soon.
